

EXHIBITOR GIVEAWAYS

2009 Florida Medical Expo

Increase the traffic flow to your booth by giving away a prize. If we receive your prize information by **May 29, 2009**, it will be advertised in the show program and any other opportunities prior to the show. This year we would like our exhibitors to promote several themes that include golf, tennis and fun items for the entire family. Example items are golf clubs, golf bag, golf balls, picnic basket with goodies, telescope, tennis rackets, tennis balls, volleyball equipment, badminton set and any sports attire. The more enticing the prize, the more traffic you will receive.

For your drawing, you need to collect attendee's business cards at your booth. When you have a winner, you will complete the prize giveaway cards that will be provided to you on-site. An FMA staff representative will walk the exhibit hall prior to the announcement time to pick up the prize giveaway cards. Winners will be announced throughout the day. Your prizewinner's name will be posted on the message board. In order to claim the prize, the winner must visit your booth enabling you with a one-on-one opportunity!
